1. [REDACTED] requested the meeting. He brought a copy of [REDACTED] dated 8 January 1960, for my perusal and comment on an article on foreign Antarctic activities. The only item of interest to me was a paragraph on a Soviet request to the Japanese for permission to deposit Soviet fuel at the Japanese base for possible emergency refueling during Soviet air operations in eastern Antarctica.

2. [REDACTED] then asked me to repeat my information on Soviet activities -- mapping, and the geophysical traverse, given to him at our previous meeting on 26 January 1960, and reported in my memorandum to SA/RR dated 27 January 1960. [REDACTED] stated that he had mislaid his notes of that meeting and was concerned lest this information not be transmitted [REDACTED] 25X1X7
